Using “Teaching Timetable by Subj/Dpt”

1. After login to MyCUHK, click “CUSIS and MyStudy” and then click “Teaching Timetable by Subj/Dpt”

2. Select the academic term (e.g. 2011-12, Term 1)
3. Enter Subject code (e.g. CSCI), then click “Search”, if you want to search for CSCI classes, or you may view all classes offered by Department of Computer Science and Engineering (i.e. CENG courses and CSCI courses) if you input the department code. You may also look up the code table by using the

4. Class information will be displayed. Take CSCI1110 as an example: Lectures are scheduled on Tu 12:30p.m.-02:15p.m. and Fr 9:30a.m.-10:15a.m., and there are 2 tutorials: T01 and T02, among these 2 tutorials, students can choose one of them in course registration.
5. Click the “Class Nbr” to view the comprehensive information of the class (e.g. enrolment rules and waitlist quota). Click “Return to Teaching Timetable” to go back to the previous page.
6. Click “Quota(s)” to view the reserved quota information if the overall quota is underlined. There is no underline if the class does not specify any quota partitions.
