2. Application Period

   2 October to 25 October 2019

   If students do NOT declare concentration/stream by 25 October, RES will not be able to perform the graduation check for fulfilment of graduation requirements for these students.
3. Application Procedures (Logon CUSIS and select “Application for Program Change”)

Add Concentration(s)/Stream(s)

(a) Check existing concentration(s)/stream(s)
Students should check their existing concentration(s)/stream(s), if any, under “My Academics” to make sure whether they should make any changes.

(b) Input courses under CUSIS
Students MUST check the course fulfillment of the concentration(s)/stream(s) by referring to the study schemes under the online Undergraduate Student Handbook, and input the courses taken for the concentration(s)/stream(s) for department’s consideration. Students’ applications will be approved if they have registered/nearly registered all course requirements. Department may also enquire students’ course history to check all courses taken.

(c) Students of Contemporary China Studies, Economics, Integrated BBA, LLB, Mathematics, Psychology and Sociology may declare up to TWO concentrations/streems according to their study schemes. Other Major Programmes allow ONE concentration/stream only.

Change Concentration(s)/Stream(s)

For students who wish to change from one concentration/stream to another one (e.g. from Management Information Systems to Supply Chain and Logistics Management), do NOT use “Add”, please CHOOSE “Change Concentration”. Follow the above steps (a) and (b).

Cancel Concentration(s)/Stream(s)

For students who wish to cancel the concentration, please choose “Drop Concentration”.

4. Department Approval

Department can review and approve the above applications at any time during the specified application period. Student should check their application status on their own from time to time on CUSIS. The last day for department to make on-line approval is 1 November 2019.
