- Professional Accountancy

2. Application Period

3 October to 27 October 2017

If students do NOT declare concentration / stream by 27 October, RES will be unable to perform the graduation check for fulfilment of graduation requirements for these students.
3. Application Procedures (Logon CUSIS and select “Application for Program Change”)

Add Concentration(s) / Stream(s)

(a) Check existing concentration(s) / stream(s)
Students should check their existing concentration(s) / stream(s), if any, under “My Academics” to make sure whether they should make any changes.

(b) Input courses under CUSIS
Students MUST check the course fulfillment of the concentration(s) / stream(s) by referring to the study schemes, and input the courses taken for the concentration(s) / stream(s) for department’s considerations. Students’ applications will be approved if they have registered / nearly registered all course requirements. Department may also enquire student’s course history to check all courses taken.

(c) Students of Chinese Studies / Contemporary China Studies, Economics, Integrated BBA, LLB, Mathematics, Psychology and Sociology may declare up to TWO concentrations / streams according to their study schemes. Other Major Programmes allow ONE concentration / stream only.

Change Concentration(s) / Stream(s)

For students who wish to change from one concentration / stream to another one (e.g. from Management Information Systems to Supply Chain and Logistics Management), do NOT use “Add” as the action, please CHOOSE “Change Concentration” as the action. Follow the above steps (a) and (b).

Cancel Concentration(s) / Stream(s)

For students who wish to cancel the concentration, please choose “Drop Concentration” as the action.

4. Department Approval

Department can review and approve the above applications during the specified application period. Student should check their application status on their own from time to time on CUSIS. The last day for department to make on-line approval is 3 November 2017.
